Member of the New England Gladiolus Society

Member of the American Gladiolus Society

April 12, 1934.

Dear Gladiolus Friend,

I am enclosing my 1934 Announcement of Fifty Selected Varieties of Gladiolus Bulbs.

Gladiolus Growing has been a hobby with me for ten years. For several years I have sold bulbs in increasing numbers, and last year shipped bulbs into all of the New England States. Letters from customers have encouraged me to spend more time with my favorite Flower.

My business is small enough for me to give personal attention to every order and I shall endeavor to give you the kind of bulbs you have a right to expect. As a member of the National Commercial Gladiolus Growers Association, which was formed for a "New Deal" in gladiolus growing and selling, I am co-operating in the plans for fair dealing and agreement with Government authorities.

I think you will find that my prices are low for the grade of bulbs offered for sale and I solicit your careful attention to my list. In addition to selling you bulbs, if I can be of any service by assisting you with your planting problems, be sure to write me.

With every good wish for a happy and successful gardening season and hoping to hear from you, I am,

Sincerely yours,

Roger F. Langley

Testimonials

I wish to thank those who have written me expressing their pleasure at fine results from bulbs obtained from me. I regret I cannot print more than parts of two of them.

"I was so pleased with them, because they were such nice looking bulbs, and packed so well.... for the last 4 weeks I have had a beautiful bed of glads, everybody admires them and ask how I can grow such fine flowers." --- Mr. W. A. B. Claremont, N.H.

"I am writing you about the success I had with the Glad bulbs I purchased from you this last spring. They were lovely and I believe every bulb blossomed, I was unfortunate enough to be in the hospital for two weeks this fall, but was fortunate enough to have a nice bouquet of Glads at my bedside all the time." --- Mrs. C. A., Brunswick, Maine.

Sturbridge Fair Exhibit, Sturbridge, Mass.

Sept. 2, 3, and 4, 1933 at Sturbridge Fair I received 1st prize on a commercial exhibit, in which were a basket of Purple Glory; a basket of Los Angeles, 4 jugs of mixed gladioli, etc. Also 1st prize on 12 vases, 3 spikes per vase. Some of the best were Minuet, Betty Not hall, Fitzys Triumph, etc..

part of two of them
obtained from me. I regret I cannot give more than
one of them. I wish to thank you who have written to me
concerning them. Please give them to your wife.

THE NEW ENGLAND GLADIOLUS SOCIETY

If you are interested in the Flower Gladiolus, you will be fully repaid by sending, One Dollar, dues for 1 year, to Mr. C. W. Brown, Secretary, Ashland, Mass.

This Society gets out a wonderful Year Book with a lot of information about our favorite flower. It alone is worth the Dollar. Then the color chart is something you will find interesting. In addition you get the 1933 Year Book - a real dandy. All for \$1. And don't forget you get membership for one year in an up and coming Society -- which puts on the best Glad Show in New England at Boston, every August.

I would like to get credit for your membership as I am interested in seeing the N.E. Gladiolus Society grow. Let me know if you join and I will send a letter of appreciation. I will send a blank if you wish.

GLADIOLUS NEWS SERVICE.

Beginning April 1st and running monthly thereafter, a bulletin, with news and information concerning Glads, timely suggestions about planting, cultivating, spraying, curing, etc., will be mailed to customers and friends upon request. Kindly make note on your order blank or send card if you would like to receive this bulletin. There is no cost for this. The bulletin will consist of two or more papers mimeographed similar to these papers. It will contain from time to time a few special offers and bargains.

LIBRARY SERVICE.

Many folks like to read books on Gladiolus and other Flowers. Most libraries do not contain specialized books of this kind. If you are interested in renting books by mail, send card asking for my Library Service Leaflet. It lists books you would like to read and obtain excellent information regarding growing, pollinating, etc.
